Co-sponsored by Time and Tide RC&D and Androscoggin Valley Soil and Water Conservation District, this workshop will cover topics including tree planting and transplanting, tree pruning, and browntail moth control. Our gracious hosts and presenters, Jennifer & Tom Hoerth, owners of Middle Hoerth Winter Gardens, have owned their farm for 5 years, and have more than 35 years in the horticulture, agriculture and arboriculture industries. Other planned presenters include Maine Forest Service and regional forestry/arborist expertise.

This workshop is designed to be hands-on and interactive! If you have your own pruning tools please feel free to bring them along and don't forget to bring your questions!

CEU credits have been requested for: forestry, arborist licensing and pesticide applicators
