

## Application: Annual Junkyard renewal

Name of Junkyard Operator: \_\_\_\_\_ Date: \_\_\_\_\_

Address of Junkyard: \_\_\_\_\_ Map \_\_\_\_ Lot \_\_\_\_ Fee Paid: \_\_\_\_\_

***Operator's initials on each of these requirements indicate understanding and compliance with each of those requirements.***

Operating standards. All automobile graveyards and junkyards permitted pursuant to section 3753 are required to comply with the following standards and submit this application to the Code Office prior to October 1 of each year:

**A.** Operator Initials \_\_\_\_\_ All fluids, including, but not limited to, engine lubricant, transmission fluid, brake fluid, power steering fluid, hydraulic fluid, engine coolant, gasoline, diesel fuel and oil, must be properly handled in such a manner that they do not leak, flow or discharge into or onto the ground or into a body of water; [2005, c. 247, §1 (AMD); 2005, c. 247, §7 (AFF).]

Verified by **Code Officer Inspection** \_\_\_\_\_ (Int.)

**B.** Operator Initials \_\_\_\_\_ A vehicle containing fluids may not be stored or dismantled:

1. Within 100 feet of any body of water or freshwater wetland, as defined by Title 38, section 436-A, subsection 5;
2. Within the 100-year floodplain; or
3. Over a mapped sand and gravel aquifer;

Verified by **Code Officer Inspection** \_\_\_\_\_ (Int.)

**C.** Operator Initials \_\_\_\_\_ Junk, scrap metal, vehicles or other solid wastes may not be placed or deposited, directly or indirectly, into the inland waters or tidal waters of the State or on the ice of inland waters or tidal waters or on the banks of inland waters or tidal waters in such a manner that they may fall or be washed into these waters; [2005, c. 247, §2 (AMD); 2005, c. 247, §7 (AFF).]

Verified by **Code Officer Inspection** \_\_\_\_\_ (Int.)

**D.** Operator Initials \_\_\_\_\_ Junkyard and automobile graveyard owners must demonstrate at the time of licensing that the facility or facilities for which they seek permits are, or are part of, a viable business entity and the facility or facilities are actively engaged in the business of salvaging, recycling, dismantling, processing, repairing or rebuilding junk or vehicles for the purpose of sale or trade; [2005, c. 683, Pt. A, §51 (RPR).]

Verified by **Code Officer Inspection** \_\_\_\_\_ (Int.)

**E.** Operator Initials \_\_\_\_\_ A copy of vehicle log must be included with this application and must include NEW vehicles brought to the property at any time during the preceding calendar year. This log is to be completed and maintained for all motor vehicles handled at this location, and must include the date each vehicle was acquired, a copy of the vehicle's title or bill of sale and the date or dates upon which all fluids, refrigerant, batteries and mercury switches were removed; [2005, c. 247, §3 (NEW); 2005, c. 247, §7 (AFF).]

Verified by **Code Officer Inspection** \_\_\_\_\_ (Int.)

**F.** Operator Initials \_\_\_\_\_ All fluids, refrigerants, batteries and mercury switches must be removed from motor vehicles that lack engines or other parts that render the vehicles incapable of being driven under their own motor power, appliances and other items within 180 days of acquisition. Motor vehicles, appliances and other items acquired by and on the premises of a junk yard or automobile graveyard prior to October 1, 2005 must have all fluids, refrigerants, batteries, and mercury switches removed by January 1, 2007. Fluids required to be removed under this paragraph must be removed to the greatest extent practicable; [2005, c. 247, §3 (NEW); 2005, c. 247, §7 (AFF).]

Verified by **Code Officer Inspection** \_\_\_\_\_ (Int.)

**G.** Operator Initials \_\_\_\_\_ Storage, recycling or disposal of all fluids, refrigerants, batteries and mercury switches must comply with all applicable federal and state laws, rules and regulations; and [2005, c. 247, §3 (NEW); 2005, c. 247, §7 (AFF).]

Verified by **Code Officer Inspection** \_\_\_\_\_ (Int.)

**H.** Operator Initials \_\_\_\_\_ The operator must provide a map indicating the junk yard portion of the entire property and attach it to this application.

Verified by **Code Officer Inspection** \_\_\_\_\_ (Int.)

**I.** Operator Initials \_\_\_\_\_ Once notified of the hearing date by the Code Officer, the Operator must provide the code office with proof of notification of property abutters. (abutters must be notified at least 7 days prior to the hearing date by certified mail). A list of abutters that were notified and the certified mail receipt will be the required proof.

Verified by **Code Officer Inspection** \_\_\_\_\_ (Int.)

**J.** Operator Initials \_\_\_\_\_ It is the responsibility of the Junk Yard Operator/owner to coordinate with the Durham Code Officer an inspection of these conditions prior to September 1, annually. Failure to do so may result in loss of Junk yard license.

Verified by **Code Officer Inspection** \_\_\_\_\_ (Int.)

## State of Maine

Title 30-A: Municipalities and Counties

Part 2: Municipalities

Subpart 6: Regulation, Licenses and Permits

Chapter 183: Economic Regulations

Subchapter 1: Junkyards and Automobile Graveyards

§3753. Permit required.

§3752	Title 30-A: MUNICIPALITIES AND COUNTIES Part 2: MUNICIPALITIES Subpart 6: REGULATION, LICENSES AND PERMITS Chapter 183: ECONOMIC REGULATION Subchapter 1: JUNKYARDS AND AUTOMOBILE GRAVEYARDS	§3754
<b>§3753. Permit required</b>		
<p>A person may not establish, operate or maintain an automobile graveyard, automobile recycling business or junkyard without first obtaining a nontransferable permit from the municipal officers of the municipality in which the automobile graveyard, automobile recycling business or junkyard is to be located, or from the county commissioners of the county of any unorganized territory in which the automobile graveyard, automobile recycling business or junkyard is to be located. Permits issued to an automobile graveyard or junkyard under this section are valid until the first day of the following year, except that, beginning in calendar year 2004, permits issued to an automobile graveyard or junkyard under this section are valid until the first day of October of the following year. Permits issued to an automobile recycling business under this section are valid for 5 years from the date of issuance and are renewable provided that the permit holder furnishes a sworn statement, annually, on the anniversary date of the granting of the permit, that the facility complies with the standards of operation applicable at the time of issuance of the permit. A person operating a business that involves the recycling of automobiles may operate under a permit for an automobile graveyard or a permit for an automobile recycling business.
