

Durham Conservation Commission

February 28, 2024, 2023; 6:30 – 8:00 pm; Teams Meeting

DCC Attendees: Roberta Brezinski, Sam Cuccaro, Jess Costa, Mike Friendly

Guest Attendee: Rachel Lynn Rumson

CRP application

- to get letters of support from RRLT and Andro Land trust
- list as partners on application
- work with partners on strategic plan
- establish an open space plan (E4) to implement E2
- use consultant or do ourselves (what are the cons of using a consultant, less funding toward conserving space)
- mike talk to alan with RRLT
- jess talk to FB Environmental for a proposal for an open space plan (example Bridgeton \$40K for open space plan)
- equity - youth need access to open space for positive mental health, viewshed and water quality, community engagement in priority populations, agriculture/farmers is a vulnerable population; DCC will talk to the new Agricultural commission; keeping access public

Meeting adjourned at 8 pm.
